edition includes an eight-page full-color insert with photos from the film. And don't miss *The Fever Code*, the highly-anticipated series conclusion that finally reveals the story of how the maze was built! Thomas was sure that escape from the Maze would mean freedom for him and the Gladers. But *WICKED* isn't done yet. Phase Two has just begun. The Scorch. The Gladers have two weeks to cross through the Scorch—the most burned-out section of the world. And *WICKED* has made sure to adjust the variables and stack the odds against them. There are others now. Their survival depends on the Gladers' destruction—and they're determined to survive. Friendships will be tested. Loyalties will be broken. All bets are off. *The Maze Runner* and *Maze Runner: The*

She fears the dark.He rules it.Her dresses are too tight, her heels too tall.

She laughs too loudly, eats without decorum, and mixes up most sayings in the book. Little do most know it's just a sparkly disguise, there to hide one panic attack at a time.Nobody can crack Gianna's facade . . . no one anyway, until he comes along.Most see a paragon of morality; a special agent upholding the law. In the New York underworld, others know him as a hustler, a killer, his nature as cold as the heart of ice in his chest. Christian Allister has always followed the life plan he'd envisioned in his youth, beneath the harsh lights of a frigid, damp cell. With a proclivity for order and the number three, he's never been tempted to veer off course. But perhaps one should never say never . . .One winter night and their lives intertwine. She hates him--his stone-cold demeanor,

his arrogance and too-perceptive eye--but over the years, even as their games consist of insulting each other's looks and intelligence, she begins to live to play with him. Nowhere in Christian's plans had he ever prepared for Gianna. She's chaos embodied, not his type, and married, but none of that can stop his eyes from following her wherever she goes. All along, she doesn't even know that she's his--his frustration, his fascination. His maddest obsession. *Can be read as a standalone

Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say

that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends.
