**The Four Senses Of Scripture** Gius.Laterza & Figli Spa

Most people outside Italy know Pier Paolo Pasolini for his films, many of which began as literary works—Arabian Nights, The Gospel According to Matthew, The Decameron, and The Canterbury Tales among them. What most people are not aware of is that he was primarily a poet, publishing nineteen books of poems during his lifetime, as well as a visual artist, novelist, playwright, and journalist. Half a dozen of these books have been excerpted and published in English over the years, but even if one were to read all of those, the wide range of poetic styles and subjects that occupied Pasolini during his lifetime would still elude the English-language reader. For the first time, Anglophones will now be able to discover the many facets of this singular poet. Avoiding the tactics of the slim, idiosyncratic, and aesthetically or politically motivated volumes currently available in English, Stephen Sartarelli has chosen poems from every period of Pasolini's poetic oeuvre. In doing so, he gives English-language readers a more complete picture of the poet, whose verse ranged from short lyrics to longer poems and extended sequences, and whose themes ran not only to the moral, spiritual, and social spheres but also to the aesthetic and sexual, for which he is most known in the United States today. This volume shows how central poetry was to Pasolini, no matter what else he was doing in his creative life, and how poetry informed all of his work from the visual arts to his political essays to his films. Pier Paolo Pasolini was "a poet of the cinema," as James Ivory says in the book's foreword, who "left a trove of words on paper that can live on as the fast-deteriorating images he created on celluloid cannot." This generous selection of poems will be welcomed by poetry lovers and film buffs alike and will be an event in American letters.

**The Midwife Trilogy** Addictive Publishing

In this follow up to CALL THE MIDWIFE, Jennifer Worth, a midwife working in the docklands area of East London in the 1950s tells more stories about the people she encountered. There's Jane, who cleaned and generally helped out at Nonnatus House - she was taken to the workhouse as a baby and was allegedly the illegitimate daughter of an aristocrat. Peggy and Frank's parents both died within six months of one another and the children were left destitute. At the time, there was no other option for them but the workhouse. The Reverend Thornton-Appleby-Thorton, a missionary in Africa, visits the Nonnatus nuns and Sister Julienne acts as matchmaker. And Sister Monica Joan, the eccentric ninety-year-old nun, is accused of shoplifting some small items from the local market. She is let off with a warning, but then Jennifer finds stolen jewels from Hatton Garden in the nun's room. These stories give a fascinating insight into the resilience and spirit that enabled ordinary people to overcome their difficulties.

**An Unconventional Countess** Butterworth-Heinemann Medical

Enemies or lovers? Liam, a successful young lawyer, is allergic to love. He's always between business trips and, devastated by a dark secret, he has put a lock on his heart. That's the way he likes it. But when he crosses paths with Zoe, all his principles fly out the window. Zoe is the opposite of his usual conquests: natural, funny, impetuous... and she has no plans to make room in her life for a man. \*\*\* I watch her delicate hands work over my torso, becoming intoxicated by her scent rising to meet me from her neck. "I'm so sorry," she insists, now scrubbing the fabric with concentration, taking breaks to dab her forehead with her arm. She's damaging my designer shirt. Instead of pointing that out to her, I observe her every movement. I surprise her a few times as she nibbles her thumb. A habit that reveals how nervous she actually is. "I'll pay for the dry cleaning, of course. And free coffee for a week." I don't reply. I resist the temptation to run my hand through her long, silky hair. I find her beautiful: her fragility, embarrassment, simplicity. "A month?" she offers, obviously worried by my silence. "It's fine for the coffee. A week and we're even," I reassure her. "For the dry cleaning, I'll take care of it. Don't worry about the clothes. It could happen to anyone." She stops and looks at me, smiling, relieved by my pacifist reaction. "I think your shirt is ruined," she announces, nibbling her lower lip. "Yeah, I think you're right about that!" I agree, laughing. I'm speechless when she starts working on my pants, kneeling down between my legs. *Is this a joke? I thought this kind of thing only happened in movies!* Except there's nothing funny about the position. On the contrary. The pressure she's putting on my crotch awakens sensations in my entire body. My imagination becomes quickly uncontrollable. I want her. Forbidden thoughts start to creep into my mind. To touch her. Caress her. Kiss her. She suddenly stops, as if she had heard my inappropriate thoughts. Time stands still for a second, and the noise of the café customers dies down. Here we are, the two of us, completely isolated from the rest of the world. \*\*\* After the success of Challenge Me, Avril Rose is back with a funny and touching romance told by two distinct voices. Love, Law, and Lattes: A brewing romance, Avril Rose, complete novel

**Stories** A&C Black

This final book in Jennifer Worth's memories of her time as a midwife in London's East end brings her story full circle. As always there are heartbreaking stories such as the family devastated by tuberculosis and a ship's woman who 'serviced' the entire crew, as well as plenty of humour and warmth, such as the tale of two women who shared the same husband! Other stories cover backstreet abortions, the changing life of the docklands, infanticide, as well as the lives of the inhabitants of Nonnatus House. We discover what happens with the gauche debutant Chummy and her equally gauche policeman; will Sister Monica Joan continue her life of crime? Will Sister Evangelina ever crack a smile? And what of Jennifer herself? The book not only details the final years of the tenements but also of Jennifer's journey as she moves on from the close community of nuns, and her life takes a new path.

**Bind Me** Houghton Mifflin Harcourt

Translated by E. M. Macierowski Originally published in French, de Lubac's four-volume study of the history of exegesis and theology is one of the most significant works of biblical studies to appear in modern times. Still as relevant and luminous as when it first appeared, the series offers a key resource for the renewal of biblical interpretation along the lines suggested by the Second Vatican Council in Dei Verbum. This second volume, now available for the first time in English, will fuel the currently growing interest in the history and Christian meaning of exegesis.

A daring literary masterpiece and winner of the National Book Award In this magnificent work of fiction, acclaimed author William T. Vollmann turns his trenchant eye on the authoritarian cultures of Germany and the USSR in the twentieth century to render a mesmerizing perspective on human experience during wartime. Through interwoven narratives that paint a composite portrait of these two battling leviathans and the monstrous age they defined, *Europe Central* captures a chorus of voices both real and fictional— a young German who joins the SS to fight its crimes, two generals who collaborate with the enemy for different reasons, the Soviet composer Dmitri Shostakovich and the Stalinist assaults upon his work and life.

Penguin

This omnibus edition of *Call the Midwife*, *Shadows of the Workhouse* and *Farewell to the East End* chronicles Jennifer Worth's career as a midwife from start to finish, from her arrival in the war-scarred Docklands as a wide-eyed trainee, to the demolition of the tenements and subsequent closure of Nonnatus House. It provides a fascinating snapshot of social history, documenting the East End in the days when there was a real sense of community, when times were tough but there was plenty of good humour and neighbourly support to help the inhabitants through the harsh economic climate. The book also enables readers to follow Jennifer's personal story, as she discovers the amazing resilience of a population still bearing the scars of war, and the vibrant community of nuns with whom she lives and who teach her the skills of midwifery. In stories that are funny, disturbing and moving in equal measure, we meet prostitutes and abortionists, bigamists and mischievous nuns, and see Jennifer earn the confidence of people whose lives are often stranger than fiction.

*Age of Bronze* Addictive Publishing

NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL *The Crimson Petal and the White* meets *Fight Club*: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.
