### YULIANA OSCAR

*A Research Anthology* Wiley-Blackwell

The global expansion of business has generated a tremendous interest among scholars, but there remains a strong need for theoretical insights into conducting marketing operations abroad. This thoroughly revised edition addresses this lack in the extant literature. The book consists of insights from leading scholars in international marketing, working not only to advance the theoretical underpinnings of today's most important international marketing issues, but also to provide insights for how the field of scholarship and practice of international marketing might develop in the future. The authors, top scholars from around the world, provide useful theoretical insights designed to stimulate contemplation and discussion, and to provide guidelines for future research on international marketing. The volume includes coverage of topics in four main areas: Part I looks at global branding while Part II examines issues of marketing strategy on a world stage. Part III offers chapters on cultural issues and the book closes with a more detailed look at marketing at the bottom of the pyramid in Part IV. Scholars and students in marketing and international business will find much of value in this comprehensive volume.

*Measurement and Research Methods in International Marketing* SAGE

*Essentials of Marketing Research: Putting Research into Practice*, an exciting new practical guide by Kenneth E. Clow and Karen E. James offers a hands-on, applied approach to developing the fundamental data analysis skills necessary for making better management decisions using marketing research results. Each chapter opens by describing an actual research study related to the chapter content, with rich examples of contemporary research practices skillfully drawn from interviews with marketing research professionals and published practitioner studies. Clow and James explore the latest research techniques, including social media and other online methodologies, and they examine current statistical methods of analyzing data. With emphasis on how to interpret marketing research results and how to use those findings to make effective management decisions, the authors offer a unique learning-by-doing approach to understanding data analysis, interpreting data, and applying results to decision-making.

*The Impact of Risk on International Marketing Research Practices* Sage Publications Pvt. Limited

This book considers problems which can be serious obstacles in international marketing but which are much less difficult in domestic marketing, such as cultural differences; the establishing and maintaining of relationships with customers' and the special problems for firm strategy and organisation arising from the internationalisation process.

*The Handbook of Marketing Research* McGraw-Hill Education

This book proposes a theoretical framework for internationalization strategy of Chinese brands and brand performance. It explores several key internationalization strategies e.g. standardization versus adaptation and OBM export versus OEM export. It examines the relationships between international marketing mix e.g. distribution channel and brand performance. Through case studies the text also analyses the internationalization of contract-based firms.

*International Marketing Research* Kogan Page Publishers

International Marketing Research is widely regarded as the definitive textbook in its field. In this second edition, Craig and Douglas discuss recent developments in the scope and extent of international marketing research. They also examine advances in both quantitative and qualitative research techniques. Greater attention is paid to issues such as decentering of the research design, scale development, measurement equivalence and reliability, and multi-country data analysis. The explosive rate of growth in communications technology and the impact of the Internet on research in the international environment are also considered. Craig and Douglas conclude with a discussion of how further progress can be made in international marketing research. 'The authors have written a book that truly emphasizes the international aspect of marketing research. Their book is both different and appealing to academics and practitioners alike.' Paul Green The Wharton School, University of Pennsylvania 'The second, long-awaited edition of this seminal text is extremely well researched and provides excellent coverage of virtually every aspect of international marketing research. Definitely a must read.' Adamantios Diamantopoulos The Business School, Loughborough University 'The globalization of brands over the past few years has meant that the management of international research projects has become increasingly more important and

complicated. This book covers many complex issues in a systematic way and will provide useful and practical information to both marketeers and researchers'. Michel Olszewski Executive Director, Research International, London

**Storytelling and Market Research** SAGE Publications International Marketing addresses global issues and describes concepts relevant to all international marketers, regardless of their international involvement. Notwithstanding the extent of global perspective that firms may have, they are affected by the competitive activity in the global marketplace. It is this perspective that the authors bring into this edition of the text. The text focuses on the strategic implications of competition in different markets. The environmental and cultural approach to international marketing permits a truly global orientation. Thus the reader's horizon is not limited to any specific nation but the text provides an approach and framework for identifying and analyzing the important cultural and environmental uniqueness of any nation or global region. Salient Features: ✓ 10 Indian cases included in the book ✓ New sections on negative impact of new communication tools, intellectual property rights in the international context, Brexit, inventive international negotiation etc. ✓ Thoroughly updated data, text, pictures and exhibits across the chapters ✓ More than 100 new academic articles and their findings integrated and cited across the chapters *New Challenges to International Marketing* Emerald Group Publishing

A collection of original essays in international marketing. Both theoretical/conceptual and empirical contributions are included. While some authors focus on managerial issues in international marketing, others take a public policy or comparative perspective.

*Emerging Issues in Global Marketing* Emerald Group Publishing A marketing first approach to exploring the inter-relatedness of the key components that impact any international marketing venture - markets, the 4Ps, culture, language, political, legal and economic systems, and infrastructure - to support an understanding of the synergies between international marketing and international business. The book covers the incorporation of sustainability and bottom-of-the-pyramid markets within each chapter, along with 'International Incident' boxes encouraging the reader to engage with the ethical and cultural dimensions of international marketing and decision-making. It is also supported by vivid, real-world case studies from a varied cross section of international companies such as Alibaba.com, Best Buy, Facebook, DHL, Kikkoman, Tesco, McDonalds, Nintendo, KitKat in Japan, Mobile Communications in Africa, India's ArcelorMittal Steel, Wind Turbines in Finland, Uniqlo, and Banana Republic.

New to this edition: A more global focus through examples, case studies and the experience brought by new co-author Barbara Czarnecka Chapter on "Culture and Cross-Cultural Marketing", featuring political unrest, the Syrian refugee crisis, the recent return to nationalism (e.g. Brexit and the Trump presidency) and further coverage of developing countries. Chapter feature, "Practitioner Insight", which provides applied insights from industry insiders. Coverage of digital advances and social media. Updated theory and methods, including S-DL, CCT, and Netnography. Additional videos supplementing the comprehensive online resource package for students and lecturers. A wealth of online resources complement this book. These include a test bank of 50-65 questions per chapter, PowerPoint slides, sample syllabi, interactive maps, country fact sheets, flashcards, SAGE journal articles, and guidelines for developing a marketing plan. Suitable reading for students of international or global marketing modules on Marketing, International Business and Management degrees.

*Essentials of International Marketing* Routledge This book of expert contributions provides a comprehensive analysis of contemporary global marketing issues under different international business settings. It covers a wide array of key areas of international marketing research such as cross-cultural consumer behavior, foreign market entry modes, international entrepreneurship, international marketing strategy, country-of-origin effects, internationalization process, international buyer-seller relationships, corporate social responsibility, and international marketing performance. With both theoretical and empirical contributions by prominent researchers from all over the world, the book highlights and advances extant knowledge on global marketing and offers recommendations for future research. It builds a useful reference for scholars, doctoral researchers, and senior students in international marketing/business.

*International Marketing Research* Kogan Page Publishers Offering a theoretical base supported by examples, this practical

guide takes students through all phases of developing and conducting international marketing research.

**International Marketing Research** Tata McGraw-Hill Education International Market Analysis: Theories and Methods is an indispensable book for students and executives of international businesses who want to make sense of their global market opportunities. The book gives readers a concise overview of the theoretical foundations of international market analysis and practical guidance on how to generate and disseminate knowledge about existing and new markets in order to support executives' strategic responses to customer needs. The discussions are based on tested concepts and frameworks in combination with the author's own professional insights into global business situations. Highlights of the book include detailed discussions of the relationships between market-orientation and market analysis, concepts and types of international market knowledge, meta-theoretical foundations of international market analysis, an integrative model for international market opportunity identification, as well as specific tools for quantitative and qualitative data collection and analyses.

**Research Frontiers on the International Marketing Strategies of Chinese Brands** Wiley

*International Marketing Research* Pearson College Division *The Marketing Research Guide, Second Edition* International Marketing Research

*A Guide to the Basics* Wiley

Unlike other International Marketing texts, *Essentials of International Marketing* includes only the most important information that can be easily covered in one semester. The book covers all the key topics for an International Marketing course, but in a concise, no-nonsense manner that meets the needs of undergraduates. In addition to including all the basic topics, this affordable text also offers two unique chapters on the metric system and on countertrade that provide essential information for successful international marketers. *Essentials of International Marketing* has been extensively class-tested and is well crafted to serve as a learning tool and a ready reference for students. Each chapter includes an opening case vignette, learning objectives, plentiful exhibits and tables, a summary, key terms, and discussion questions.

**A[n] European Perspective** Kogan Page Publishers

This is a basic text in International Marketing, a major knowledge area for students of management studies. This book attempts to make learning of the nuances of the subject easy and enjoyable for students. International trade, economic free trade zones, embargoes on exports, and tariff and non-tariff barriers that the companies face overseas form a major part of the book. In addition, the role of international organizations under the guidance of the United Nations has been given its due importance.

**International Marketing Strategy: Analysis, Development and Implementation** Emerald Group Publishing

*The Handbook of Marketing Research: Uses, Misuses, and Future Advances* comprehensively explores the approaches for delivering market insights for fact-based decision making in a market-

oriented firm. Divided into four parts, the Handbook addresses (1) the different nuances of delivering insights; (2) quantitative, qualitative, and online data gathering techniques; (3) basic and advanced data analysis methods; and (4) the substantial marketing issues that clients are interested in resolving through marketing research.

**Putting Research Into Practice** Springer

This new edition of a well-known book continues to discuss comprehensively the tools and unique used for making research. The author uses theory and appropriate examples to help students in developing concepts. This edition includes recent marketing research activities in the Indian landscape (rural and retail market research). Apart from these new chapter, the topics of brand positioning and brand segmentation have been discusses with the help of recent examples. A new chapter on measurement and scaling has been added in this edition to make it more useful. Abundance of in-text solved examples and end-of-chapter exercise is a hallmark feature of the book.

*Marketing Research* Springer
