More than 150 years after its original
publication, Bartlett's Familiar
Quotations has been completely revised
and updated for its eighteenth edition.
Bartlett's showcases a sweeping survey
of world history, from the times of
ancient Egyptians to present day. New
authors include Warren Buffett, the Dalai
Lama, Bill Gates, David Foster Wallace,
Emily Post, Steve Jobs, Jimi Hendrix, Paul
Krugman, Hunter S. Thompson, Jon
Stewart, Elizabeth Kubler-Ross, Barack
Obama, Che Guevara, Randy Pausch,
Desmond Tutu, Julia Child, Fran
Leibowitz, Harper Lee, Nassim Nicholas
Taleb, Patti Smith, William F. Buckley,
and Robert F. Kennedy. In the classic
Bartlett's tradition, the book offers
readers and scholars alike a vast,
stunning representation of those words
that have influenced and molded our
language and culture.

MEET PETER ALSON An overeducated
underachiever, he's spent his
postcollege decades doing his best not
to grow up. Now, having just turned the
incomprehensible (to him) age of fifty,
and staring down his own mortality, this
rambling- gambling bachelor decides it's
time to settle down. After years of
equivocating, he pops the question to his
longtime girlfriend. A wedding date is set

for just after Labor Day, and to pay for it,
a plan is hatched involving poker and a
trip to Vegas. Alson boards a plane
bound for the neon desert on his way to
the biggest game in town, the 2005
World Series of Poker. Thus begins *Take
Me to the River*, a first-person account of
one inveterate gambler and bad boy's
quest to grow up while at the same time
compete with more than 5,000 players
vying for over \$56 million in prize money
during a scorching Vegas summer. *Take
Me to the River* is a hilarious, heart-
wrenching tale of Las Vegas and an
exploration of what it means to be part
of one of the fastest-growing and most
popular sports in the United States, at
the moment of its apogee, and of the
lessons that poker has to teach about
probability and luck, good and bad
fortune, patience, perseverance, and --
most fitting for a man with marriage in
his near future -- commitment.

Stories, Essays & Articles* e-artnow
When a Man's Partner is Killed, He's
Supposed to Do Something About It.
Maybe no one liked Del Gilbert a whole
lot, not the men he ruthlessly did
business with, not the women who
discovered his other lovers, not even his
partner in the Gilbert and Blake literary
agency - me. But when I found him shot
to death on the floor of his office, I had
no choice. I had to track down the
person responsible. And not just to lay
Del to rest, either. Next to his body, the
office safe was wide open, and a
contract worth millions was missing...

Places the Dead Call Home begins on a
summer night in 1958, as bullets tear
through the body of a young man on a
lonely Oklahoma highway. Nineteen
years later, a soldier lies in the pool of
his own blood on an army base in

Virginia. Death has made room at home for both of them. Death can always find room for more. Josh Kincaid is happy with life in Phoenix where he manages a bar and sells a few drugs on the side. His serenity is soon shattered, however, by a call from his cousin, Frankie McKnight, who claims to know why Josh's father died many years earlier in the parking lot of a gas station in Oklahoma City. Soon, a reporter named Jeffrey Bonus and his traveling companion, Jeanette Koskos, arrive with questions for Josh about the death of Bonus's father, a highly decorated army colonel. All of these characters converge on Mesa Verde, where Josh and Frankie seek the answer to Jimmy Kincaid's destiny and Bonus hopes to learn the true fate of his father. But others are making plans of their own to ensure that the dead stay where they belong-the places they call home.

Coastal Disturbances Simon and Schuster

Story of a young boy who discovers, at the age of eight, that he was a foundling. When his foster father sends him away he must find a way to survive and also discover his true identity.

Places the Dead Call Home W. Briggs
THE STORY: Poor Oliver Pankey is a born loser; his landlady charges him when someone else breaks his window; his fiancée leaves him for a married man; his boss at the bank cuts his pay when he asks for a raise; and a thief takes everything he has--i

DescriptionPARANOID LOST is a collection of stories from a schizophrenic viewpoint and they range from the sublime to the ridiculous. They are alternately sad, humourous, bizarre and disturbing as well as highly imaginative

and often experimental. But they all aim to remove the stigma of schizophrenia with their strange but non-violent outlook. And some are just a lot of fun. About the AuthorGreg Bauder has had schizophrenia for 30 years. His poems, stories, plays, reviews and articles have been published in many magazines, and he has written three novels about schizophrenia. He lives in Surrey, British Columbia, Canada.

A Rising Moon Pinnacle Books

When ninety-one-year-old rancher Franklin Woodstock disappears from his West Texas nursing home, his five presumed heirs squabble over his estate.

The Perfect Score Delphi Classics

Artist M.J. Adams, a senior, paints at a private beach on the north shore of Massachusetts. At the end of August, her niece, Holly Dancer, a photographer, has come for a visit to escape her troubled life -- both private and work. The young attractive lifeguard Leo Hart is attracted to Holly, but he is just getting over a failed romance. Another visitor to the beach, Ariel Took, now divorced and bitter, brings her young son Winston to play on the beach, but she cannot get away from her own sadness. Also visiting is Faith, Ariel's Wellesley College roommate, who is pregnant, and who has brought along her adopted daughter Miranda. After Holly and Leo start a romance, Andre Sor, Holly's real romantic interest, arrives. Holly leaves to return to her New York home, and, although she has told Leo that she cannot continue their romance, she gives him her phone number. Finally, M.J. Adams and her husband Dr. Hamilton "Hammy" Adams come to the beach together, comfortable in their long relationship.

Nobody's Boy Anchor

Widely regarded as the father of science fiction, H. G. Wells was also a prolific author of history, politics and social commentary, whose works from an early date were renowned for their outspoken socialist views. This comprehensive eBook presents the most complete edition of Wells' works possible in the US, with numerous illustrations, rare novels and tales, informative introductions and the usual Delphi bonus material. (Version 7) * Beautifully illustrated with images relating to Wells' life and works * Concise introductions to the novels and other texts * ALL 32 novels in the US public domain, with individual contents tables * Rare novels appearing for the first time in digital print * Images of how the books were first published, giving your eReader a taste of the original texts * Excellent formatting of the texts * All of the short stories - including rare tales available in no other collection * Special chronological and alphabetical contents tables for the short stories * Easily locate the short stories you want to read * Includes a wide selection of Wells' non-fiction - spend hours exploring the author's varied works * Special criticism essay, evaluating Wells' contribution to literature * Scholarly ordering of texts into chronological order and literary genres * UPDATED with rare novels and many improvements (Major update) Please note: due to US copyright restrictions, post-1922 works cannot appear in this edition. When new texts become available in your public domain, they will be added to the eBook as a free update. Please visit www.delphiclassics.com to browse through our range of exciting titles

I've Only Got Three Hands! Lulu.com
Part One tells how a young Welsh
student of working class origins joins the
Royal Navy Volunteer Reserve as a Sub-
Lieutenant in 1939 and learns the
business of minesweeping, how to run a
ship, take command of the men he is
responsible for, face life and death
situations and spit a curve to windward.
He also has to cope with his emotional
education as he falls under the spell of
several very different women. His
character develops against a
background of hair-raising events and
wild romantic encounters, not excluding
plenty of good laughs. Part Two
describes how he faces peace time with
a new wife, and St Bernard dog, and
emigrates in search of the perfect life
first in Switzerland, then in Australia and
New Zealand. It is a gripping well crafted
yarn hard to put down, all narrated with
a lot of humour.

acknowledgment and passion it deserves
as a classic of world literature.

The Best of Albert Wendt's Short Stories
Chipmunkapublishing ltd

--- There can be no shadow without the
man to cast it. --- Gray. Lost his twin. Will
never be complete. Works alone.
Shadow. Monster? Human? Exists to be
Gray's one true companion. After losing
his twin brother, Gray has devoted his
life to the Kings of Hell MC. He will do
anything to protect his family and that
means anything. Even sell his own
shadow to the devil. Following a fire that
left him without one arm, Gray feels
pushed to the sidelines. In order to prove
to his club that he is still capable of
completing dangerous tasks, he will
have to team up with the strange
creature from the Other Side. Tall,
inhumanly strong, and menacing despite
the handsome exterior, Shadow is just
the tool Gray needs. The moment
Shadow lays his eyes on Gray, he wants
to crawl under Gray's skin and make the
human his. Gray on the other hand isn't
willing to get attached to a monster
destined to do the devil's bidding and
disappear once his time is up. Rejected,
Shadow has to do everything in his
power to convince his human that they
belong together. But as the clock ticks
away precious minutes of Shadow's
existence, Gray will have to choose
between his loyalty to the Kings of Hell
MC and responsibility for the creature he
brought into this world. * "Do you feel
me running through your veins?" Gray
nodded. * POSSIBLE SPOILERS: Themes:
motorcycle club, alternative lifestyles,
demons, monster, tattoos, secrets,
crime, gothic, grief, mourning, enemies
to lovers, forced proximity, fish out of
water, opposites attract, demisexuality,

gentle giant Genre: Dark, paranormal M/M romance Scorching hot, emotional, explicit scenes Length: ~150,000 words (Book 4 in the series) WARNING: This story contains scenes of violence, offensive language, and morally ambiguous characters.

problems were brewing in monster land Where one boy's bedroom was way out of hand; When bedtime came, well, his room was a mess And that mischievous monster couldn't care less.

I Like 'Em Tough Constable

From the New York Times review of the Dallas Opera's performance of Orlando furioso and the international symposium on Baroque opera: ". . . it was a serious, thoughtful, consistent and imaginative realization of a beautiful, long-neglected work, one that fully deserved all the loving attention it received. As such, the production and its attendant symposium made a positive contribution to the cause of Baroque opera" Baroque opera experienced a revival in the late twentieth century. Its popularity, however, has given rise to a number of perplexing and exciting questions regarding literary sources, librettos, theater design, set design, stage movement, and costumes—even the editing of the operas. In 1980, the Dallas Opera produced the American premier of Vivaldi's Orlando furioso, which met with much acclaim. Concurrently an international symposium on the subject of Baroque opera was held at Southern Methodist University. Authorities from around the world met to discuss the operatic works of Vivaldi, Handel, and other Baroque composers as well as the characteristics of the genre. Michael Collins and Elise Kirk, deputy chair and

chair of the symposium, edited the papers to produce this groundbreaking study, which will be of great interest to music scholars and opera lovers throughout the world. Contributors to Opera and Vivaldi include Shirley Wynne, John Walter Hill, Andrew Porter, Eleanor Selfridge-Field, Howard Mayer Brown, William Holmes, Ellen Rosand, and the editors.

Delphi Collected Works of H. G. Wells (Illustrated) e-artnow

Legendary author of the 87th Precinct series Ed McBain presents six hardboiled detective stories starring Curt Cannon, one of the toughest sleuths ever created. Private detective Curt Cannon has lost his wife, his license, and his will to live, and now all he wants is to crawl into the bottom of a bottle and wait to die. He's in the middle of a bender when Peter D'Allesio finds him and begs him to help get his addict son off the needle. Unwilling to be distracted from his own self-loathing, Curt tells Peter off.

Dejected, the little old man is stepping out the doorway when two bullets tear through the air, leaving him dead on the floor of a fetid dive. Curt wants nothing to do with this rotten case, but the mystery has him by the throat and won't let go. To bring the dead man justice, he'll have to climb out of the gutter and remember what it means to be a detective. The story that introduced Curt Cannon, "Die Hard" is as gritty as mysteries come. Along with the five other stories in this remarkable collection, it's a testament to the limitless talent of Mystery Writers of America Grand Master Ed McBain. THE ESSENTIAL H. G. WELLS: Novels, Short Stories, Essays & Articles in One Edition Harlequin

I've Only Got Three Hands

problems were brewing in monster land Where one boy's bedroom was way out of hand; When bedtime came, well, his room was a mess! And that mischievous monster couldn't care less.

Anybody Out There? University of Texas Press

In 1987, there was legalized poker in Nevada and in one county of California. Author Jesse May was seventeen years old and already hooked. By 1996, poker could be legally played in casinos in over twenty states of the union and five countries in Europe. Legalization changed the face of poker, and as the game came of age, so did May, who by 1989 had dropped out of the University of Chicago after one year due to irreconcilable differences between Tuesday- and Thursday-morning classes and Monday- and Wednesday-night poker games. Based on his experiences in the strange world of poker, May's debut novel *Shut Up and Deal* is the story of a nontraditional '90s slacker, a dropout with an incurable obsession and incredible stamina, who makes a career in a profession where the only goals are to stay in action and to not go broke. In *Shut Up and Deal*, a professional poker player takes readers along on his

adventures over several years in and out of casinos and card rooms in locales such as Las Vegas, Atlantic City, and Amsterdam. Told in a catching, likeable voice, this story offers up one rip-roaring poker-table drama after another, with narrator Mickey ultimately finding himself in a spot that jeopardizes his entire bankroll and calls into question his morals, such as they are. In rhythmic, high-octane prose that is as addictive as the game it describes, *Shut Up and Deal* zooms in on the swirling, feverish microcosm of the contemporary poker world from its very first line and never cuts away.

The Wide World Magazine Paul Hall
What Are the Odds By: J. Le What is the difference between luck and fate? Is there really a connection between love and chance? And how do you determine the difference between some cosmic predetermination and just complete and utter randomness. For Jacob Diehl, figuring it out couldn't have been further from what it all is—a gamble. Follow Jacob in his coming-of-age story as he discovers everything about life, love, and friendship in both slow motion and fast forward. Learn with him as he discovers that luck never actually gives, only lends.
