Seek first the kingdom of God and His righteousness. There are few dreams more spiritually intoxicating than the dream of being used by God to start a new community of Christ that skillfully brings the restorative gospel to a lost and broken city. Something which feels like a spiritual landslide that starts with lostness and ends in an avalanche of new congregations multiplying and transforming community after

community into which they unmistakably seep. Authors Jeff Christopherson and Mac Lake call readers to imagine a movement that vividly remembers the insubstantial days of a mustard seed with a sense of awe and wonder when looking at the indescribable harvest that stands all around. Though the kingdom of God can't be forced by superficial methods, the good news is that when you move past the threshold of your competency and comfort, you find yourself in the very spot where God can use you like no other.

What wouldn't you sacrifice to be a part of something that only could be described as a God-honoring gospel movement?

Groundbreaking Research Based on a National Database of over 200,000

Churches Crossway
A biography of Jacob DeShazer, an American soldier who became a prisoner of war after the Doolittle Raid--the first American attack on Japan after Pearl Harbor. Covers his time as a POW and the thirty years he spent in Japan after the war as a Christian missionary.

Surviving

Adolescence Y W A M Pub

Discusses a variety of common problems that teenagers face and gives advice on how to cope with them from a Christian point of view.

The Hero with a Thousand Faces Y W A M Pub

In a day when the church greatly needed to hear the truth, Luther's pulpit became one of the most clarion sounding boards for God's Word this world has ever witnessed.

Steven J. Lawson shows the convictions and practices that fed Luther's pulpit boldness, providing an example for all preachers in a day when truth once more is in decline. --from publisher description.

The Ramayana

Christian Heroes: Then & Now

Groundbreaking research based on a national database of over 200,000 churches shows that the overall United States population is growing faster than the church.

The director of the American Church Research Project, Dave Olson, has worked to analyze church attendance, showing that it is virtually unchanged from fifteen years ago while our population has grown by fifty-two million people. What does this mean for you, your church, and the future of Christianity in North America? The American Church in Crisis offers unprecedented access to data that helps you understand the state of the church today. "We live in a world that is post-Christian, postmodern, and multiethnic, whether we realize it or not," says the author. This book not only gives a realistic picture that confirms hunches and explodes myths, but it

provides insight into how the church must change to reach a new and changed world with the hope of the gospel. Readers will find a richly textured mosaic with optimistic and challenging stories. Charts, diagrams, and worksheets provide church leaders and motivated church members with a stimulating read that will provoke much discussion. Questions for discussion accompany the chapters.

In a land where even the gods are bound by oaths and prophecies! Odyssey of the Dragonlords is an epic fantasy campaign for

the fifth edition of the world's greatest roleplaying game. Drawing inspiration from the ancient Greek epics, including The Odyssey, The Iliad, and The Argonautica. At the dawn of time, a war between the gods and Titans left the world of Thylea forever changed. Thousands of years later, the first mortals arrived, carried by ship and dragon. The Dragonlords were the champions who overthrew the Titans 500 years ago and forged the Oath of Peace. But the power of the Oath has waned, and now the Titans seek vengeance. You are one of the heroes called by prophecy to end the conflict once and for all. Poets will sing of your deeds for centuries to come! If you survive! Made in

the UK.

One Great Purpose

B&H Publishing Group

George Orwell's

Nineteen Eighty-Four is unquestionably the most famous dystopian novel of all times.

Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical party leader Big Brother is forced upon the masses. The low-

ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.

Review NAMED ONE OF

THE BEST BOOKS OF THE YEAR BY Esquire • Good Housekeeping • Parade In the late 1930s, civil war grips Spain. When General Franco and his Fascists succeed in overthrowing the government, hundreds of thousands are forced to flee in a treacherous journey over the mountains to the French border. Among them is Roser, a pregnant young widow, who finds her life intertwined with that of Victor Dalmau, an army doctor and the brother of her deceased love. In order to survive, the two must unite in a marriage neither of them desires. Together with two thousand other refugees, Roser and Victor embark on the SS Winnipeg, a ship chartered by the poet

Pablo Neruda, to Chile: “the long petal of sea and wine and snow.” As unlikely partners, the couple embraces exile as the rest of Europe erupts in world war. Starting over on a new continent, they face trial after trial, but they will also find joy as they patiently await the day when they might go home. Through it all, their hope of returning to Spain keeps them going. Destined to witness the battle between freedom and repression as it plays out across the world, Roser and Victor will find that home might have been closer than they thought all along. A masterful work of historical fiction about hope, exile, and belonging, *A Long Petal of the Sea* shows Isabel Allende at the height of

her powers. Praise for *A Long Petal of the Sea* “Both an intimate look at the relationship between one man and one woman and an epic story of love, war, family, and the search for home, this gorgeous novel, like all the best novels, transports the reader to another time and place, and also sheds light on the way we live now.”—J. Courtney Sullivan, author of *Saints for All Occasions* “This is a novel not just for those of us who have been Allende fans for decades, but also for those who are brand-new to her work: What a joy it must be to come upon Allende for the first time. She knows that all stories are love stories, and the greatest love stories are told by time.”—Colum

McCann, National Book Award-winning author of *Let the Great World Spin*

An Illustrated Guide to Their Meaning and Origins

Tyndale House Publishers, Inc. After examining the lives of hundreds of historical, biblical, and contemporary leaders, Dr. J. Robert Clinton gained perspective on how leaders develop over a lifetime. By studying the six distinct stages he identifies, you will

learn to: Recognize and respond to God's providential shaping in your life Determine where you are in the leadership development process Identify others with leadership characteristics Direct the development of future leaders This revised and updated edition includes several new appendixes and expanded endnotes, as well as an application section at the end of each chapter.
