Animal Snackers Boom! Studios

Follows a child through all the big first grade moments.

Penguin Readers Level 6: The Turn of the Screw (ELT Graded Reader) little bee books

Follow the adventures of Zoey and her cat Sassafras with this shrink-wrapped paperback set of books 1-6 in the series. With magical animals, science, mystery, and adventure -- the Zoey and Sassafras series has something for everyone! Easy-to-read language and illustrations on nearly every page make this series perfect for a wide range of ages. Each story features a new magical animal with a problem that must be solved using science. There isn't a set formula for each book; Zoey sometimes needs to run experiments, while other times she needs to investigate a mystery, and yet other times she needs to do research. Zoey models how to keep a science journal through her handwritten entries in each story. Each story is complete with a glossary of the kid-friendly definitions for scientific terms used. The series highlights child-led inquiry science and the topics covered align with both Common Core and Next Generation Science Standards.

Good Night Rhyming Story About Sea Creatures. Ages 3 to 5 Fish Book **Preschool.** Clarion Books

Anabella Giggles All Night! is a read aloud, daytime, nighttime, bedtime, anytime, modern-day classic. Written in easy-to-read rhyme, it is the perfect book for kids of all ages. In this first book of the Anabella picture book series, Anabella announces her love of laughter and unleashes a long-reaching, unending wave of giggles. When Anabella arrives at school, her teacher attempts to figure out the cause of Anabella's long-lasting giggles. When her teacher can't figure it out, she proposes a solution. She asks Anabella to replace her long-lasting giggles with pretty smiles. Anabella does her best to make just a "pretty smile", but eventually the giggles return! Her giggles span the rest of the day and the entire night. The next morning her mommy goes to wake up what she thinks will be a sleeping Anabella, but instead finds Anabella still giggling and wide awake. In a shout of joy, Anabella confesses that she has giggled all night! But Anabella's joy is threatened by her mother's displeasure with the silly Rhompees, who have been playing and laughing with Anabella all night. What will Anabella do? Can she figure out a solution so she and the silly Rhompees can finally go to sleep? Find out what happens in the delightfully cheerful *Anabella Giggles All Night!*

What happened to Alfred's foot? After a morning at the park, Alfred the turtle's foot is bumpy and sticky, and it hurts too! It's up to Pipsie to figure out what gave him a tender tootsie. As Alfred shows Pipsie where he went that day, they come upon all kinds of insects—from ants to spiders to honey bees. And the clues Pipsie uncovers lead her on a twisty, turny, and even slightly stinky nature mystery.

Remembering Ethan Houghton Mifflin Harcourt

This stunning illustrated children's book takes an innovative look at the circle of life, including animals, dinosaurs, stars, volcanoes, and even YOU. Everything has a beginning and an end, but what happens in between? Follow the migration of zebra across the vast plains, meet penguins guarding their eggs on the ice, and watch butterflies emerge from their cocoons.

Shoot back in time 4.5 billion years to see how planet Earth was formed and then leap into the future to see what happens when stars die. Discover a new life cycle every time you turn the page. You'll take a closer look at the life cycles of

environments, too. Discover how a river forms and changes over time. Find out how a tree grows and all of the other life cycles it supports within it. See the amazing sculptures the ocean waves carve out of cliffs. Dive beneath the surface to see how coral reefs form, and what causes them to die. Follow the life cycles of weather--from the water cycle to ice ages, to give you a better grasp of the climate situation we find ourselves in now. From the single-celled amoeba to how the Earth formed, the life cycles in this ebook have been carefully chosen to give you an amazing overview of the universe, and how everything is intricately linked. Filled with facts to amaze your friends, stunning photography, and beautifully detailed illustrations by Sam Falconer, *Life Cycles* gets to grips with the essence of life itself.

Mid Ocean is a Novel of fiction by Author T. Rafael Cimino and is about the war on drugs as it occurs in South Florida in the year 1984. Joel Kenyon has lived in his father's shadow for most of his life. Even after his Dad's death, the man's powerful legacy still haunts him at every turn. As he graduates from the U. S. Custom's Academy, Joel is assigned strategic duty in the 'bad-lands' of U. S. drug enforcement, the Florida Keys. Set in 1984, *Mid Ocean* shows the lives of the sometimes violent drug smugglers and the men and women sworn to uphold the law in this Caribbean 'wild west'. In the end, Joel Kenyon will question everyone, including himself in a quest for what's right and true. It is here that he will find out the sea holds many secrets.

This Book Is Gray Family Snaps

A delightful tribute to turtles and turtle-watching, from a young child's perspective. What is it about turtles that fascinates us? Is it how they hide inside their patterned shells, their wizened faces, their slow determination? In *Turtle Pond*, a child and his parents visit their local public garden throughout the year, observing the turtles as they play, dive, feed, bask, climb, hide and doze. James Gladstone's lively prose poem reveals the pleasure and curiosity that come from spending time with the turtles. Karen Reczuch's stunningly beautiful illustrations accurately portray these extraordinary creatures, both in and out of the water, surrounded by lush plants and the changing seasons beyond the greenhouse windows. An author's note provides more information about turtles, including the Red-eared Slider featured in the book. Key Text Features scientific illustrations author's note further information

Will this shatter Nandita or will she heal through forgiveness?

Life Cycles Penguin

Do you have a child who acts or talks impulsively? Children who exhibit impulsive behavior are often labeled unruly. Even though children can be calm, their positive qualities can be often overlooked by their poor impulse control. Children without impulse control act or talk before they think, often unable to control their initial response to a situation. The ability to self-regulate is absent and they don't pause to think about future consequences. Impulsivity is related to acting without thought. As a result, children do things like take unnecessary risks, blurt things out, don't wait their turn, or interrupt conversations. Impulsive Ninja learns how to use an underused superpower to respond to frustration, anger, and criticism. Find out what happens in this SEL book about impulsiveness. Life is tough. But so are you! The new children's book series, *Ninja Life Hacks*, was developed to help children learn valuable life skills. Fun, pint-size characters in comedic books easy enough for young readers, yet witty enough for adults. The *Ninja Life Hacks* book series is geared to kids 3-11. Perfect for boys, girls, early readers, primary school students, or toddlers. Excellent resource for counselors, parents, and teachers alike.
