NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he

didn't commit. Together they come to understand the heroism of resisting. A "majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

Earth Science Routledge

Learning to Plan Modern Languages Lessons contains a wealth of guidance and ideas for those learning to teach in secondary schools. Drawing on extensive experience and research in the field, it offers detailed explanation of basic lesson planning methods and the principles that underpin them, illustrated by worked examples of well-planned lessons. The book shows how to progress from planning smaller activities to full lessons to sequences of lessons, and how to ensure progression for your students. Specific aspects of language learning such as grammar and culture are explored, together with ideas for how to make your planning skills more effective in long-term collaborative and reflective practice. Starting from a presentation, practice, production (PPP) model of language teaching, the book aims to: provide structured, practical starting points in lesson planning for beginning teachers of modern languages (ML); deepen knowledge and understanding of ML as a subject and how it is learnt (pedagogical subject knowledge), in order to inform and support planning decisions; develop understanding of lesson planning as part of a planning cycle; enhance understanding of strategies and professional development opportunities to promote the further development of planning abilities. Including reflective/discussion tasks and example lesson plans *Learning to Plan Modern Languages Lessons* is a must-read book for beginning and more

experienced teachers of any modern language.

Learning to Plan Modern Languages Lessons Macmillan

Hola! If you are looking to learn Spanish in a fast, simple and easy way without entering a classroom, then you have chosen the perfect audiobook. Spanish Language is the perfect guide for Beginners that allows you to learn Spanish while in your car or Working out with the purpose to reach a native-level fluency in no time. Through this audiobook, you will learn conversational Spanish for beginners through lessons that will help you develop your vocabulary and grammar, as well as simple phrases useful for travel in Spain, Mexico or Latin America!It's time to begin the adventure of learning Spanish through simple and quick lessons you can listen to in your car!Estas pronto? Here's what you'll learn from the Spanish For Beginners book: Chapter 1: Learning StrategiesChapter 2: The Fundamentals of Spanish Chapter 3: Numbers, Colors, Time, and Date Chapter 4: Nouns and ArticlesChapter 5: Pronouns Chapter 6: Verbs Chapter 7: Adjectives Chapter 8: Prepositions, Adverbs, and Conjunctions Chapter 9: Forming sentences Chapter 10: The Subjunctive & Imperative Mood Chapter 11: Making comparisons Chapter 12: Conversational phrases And much more! Here's what you'll learn from the Spanish Short Stories: The Spanish language is rich, full of small differences between the different countries. Things that might be one way in Argentina might be different in Spain or Mexico. But don't worry, with this book, you will have a firm grasp on the language, and you will be able to understand and have a conversation with any Spanish speaker.In this book, I will give you 20 short stories that will range from science fiction to romance, everything in between and sometimes even more. These stories will give you an entire picture of the Spanish language, and how

to appreciate the subtlety of the language. After each story, there will be a questionnaire section where you will answer questions about the stories in Spanish. I really suggest to grab a blank page, and write down the answers, or the small assignments that you will be given (don't worry, they won't be long!). Remember to write them in Spanish, so you can practice and use the language. Also, in this section, you will find grammar and fun facts not just from the stories themselves, but from the inspirations behind them, and facts about living in a Spanish country. All these stories are written from my heart, and I deeply hope that you will find them funny, mysterious, romantic, or at least entertaining. Here's what you'll learn from the Spanish Language Lessons book: Traveling in Spanish countries can be hard. Believe me, I'm a frequent traveler, and I've been all around the world. I've been in Europe, Asia, and South America, and I have to say that of all the places that I've been, I've never found more caring and lovely people than in Spanish countries. Maybe it is their past, maybe it is their language, but they are always available to give you a hand, talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something, and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it's quite ridiculous and a bit childish. That's why I'm writing this book, to help you on your travels, so if you want to take a trip to a Spanish Country, you won't find it hard to express yourself. And I will not just explain you some phrases in Spanish to ease your life in your trip, I will also teach the differences between countries, and how to travel from one place to another. So, if you were planning a trip, or maybe you are already in one and found yourself in a problem, this is the book for you. I hope it helps you with anything that might arise on your trip. get your copy today

Lessons of the Spanish Revolution examines the many ways in which Spain's revolutionary movement contributed to its own defeat. Was it too weak to carry through the revolution? To what extent was the purchase of arms and raw materials from outside sources dependent upon the appearance of a constitutional government inside Republican Spain? What chances had an improvised army of guerrillas against a trained fighting force? These were some of the practical problems facing the revolutionary movement and its leaders. But in seeking to solve these problems, the anarchists and revolutionary syndicalists were also confronted with other fundamental questions. Could they collaborate with political parties and reformist unions? Given the circumstances, was one form of government to be supported against another? Should the revolutionary impetus of the first days of resistance be halted in the interests of the armed struggle against Franco or be allowed to develop as far as the workers were prepared to take it? Was the situation such that the social revolution could triumph and, if not, what was to be the role of the revolutionary workers? Originally written as a series of weekly articles in the 1950s and expanded, republished, and translated into many languages over the years, Vernon Richards's analysis

remains essential reading for all those interested in revolutionary praxis.

FROM THE CREATORS OF SPIN SELLING—TRIED-AND-TRUE STRATEGIES TO ARM YOU IN THE WAR FOR SALES SUPREMACY "I distinctly remember my first VP talking about 'campaigns' and 'targets.' Indeed, successful salespeople have made learning from military tactics an important aspect of their careers. In this engaging read chock-full of practical and richly illustrated examples, John Golden provides strategies that are sure to increase even the most seasoned sales pros' success rates. It's a completely new take on sales education with powerful lessons you'll use to win your own sales battles." -- David Meerman Scott, bestselling author of *The New Rules of Marketing and PR* "There's no doubt salespeople will profit from the book's focus on besting one's opponent in a battleground much changed by the information explosion of the Internet." -- William Dermody, World/Military Affairs Editor, USA Today "An innovative and very insightful perspective on what it really takes to win." -- Dave Stein, CEO and founder, ES Research Group, Inc. "Great sales lessons presented in a really unique and interesting format . . . I recommend it for sales people starting out in the field as well as seasoned pros. -- Chuck Lennon, President, TeamLogic "A good military strategist is, after all, a salesman, which leads me to believe that a good salesman would make a good military strategist. The author has done an excellent job of showing how those two different communities are in fact very similar." -- Brigadier General Julie A. Bentz, PhDTM
