#### A Book of Silence iUniverse

A personal and cultural exploration of silence and its value in our lives—"[an] artful book, mixing autobiography, travel writing, meditation, and essay" (Independent, UK). In her late forties, after a noisy upbringing as one of six children and adulthood as a vocal feminist and mother, Sara Maitland found herself living alone in the country and, to her surprise, falling in love with silence. In this fascinating, intelligent, and beautifully written book, Maitland describes how she began to explore this new love, spending periods of silence in the Sinai desert, the Scottish hills, and a remote cottage on the Isle of Skye. Maitland also delves deep into the rich cultural history of silence, exploring its significance in fairy tale and myth, its importance to the Western and Eastern religious traditions, and its use in psychoanalysis and artistic expression. Her story culminates in her building a hermitage on an isolated moor in Galloway. "Her book is probably unique in its subject, and timely, because good, healing silence is becoming hard to find, and we may not know we need it" (Guardian, UK).

*Silence for the Dead* Penguin UK

After years of abuse, with only a bleak future ahead of her, a young German woman joins other women being transported to German's colony in South-West Africa to attend the needs of male settlers, but when she is confronted by the harsh reality and brutality of life in Africa, she revolts, joining a ragtag army of women and native victims to take on the German Reich. Reprint. 15,000 first printing.

When Bernie Gunther takes on a blackmail case and gets involved in the affairs of British spies, the former detective risks exposing his own dark past in this thrilling novel hailed by *The New York Times Book Review* as "one of Kerr's best." Saint-Jean-Cap-Ferrat, 1956. Having gone into hiding in the French Riviera, Bernie Gunther is working as a concierge at the Grand-Hôtel under a false name. His days and nights consist of maneuvering drunks to their rooms, shooing away prostitutes in search of trade, and answering the mindless questions posed by the absurdly rich guests—needless to say, he's miserable. Now, the man who was once a homicide detective and unwilling SS officer in Hitler's Third Reich is simply the person you turn to for touring tips or if you need a bridge partner. As it just so happens, a rich and famous writer needs someone to fill the fourth seat in a regular game at the Villa Mauresque. But Somerset Maugham wants Bernie to help him get out of a game far more dangerous than bridge. Maugham is being blackmailed—perhaps because of his unorthodox lifestyle, or perhaps because, once upon a time, Maugham worked for the British Secret Service...

*The Other Side of Silence* Zubaan Books

When CSA Lieutenant William Joseph Butler, or Billy, as family and friends know him, becomes a target of revenge for a wealthy planter on the Mississippi, Billy's father allows him to follow his brother into the army. Seventeen-year-old Billy finds his brother and regiment at Corinth, just before the battle of Shiloh in April of 1862. War is not what young Billy imagined it to be. Educated and inquisitive, he questions much of what he sees and experiences, and Billy finds himself contemplating the true nature and validity of the war he's fighting-and losing. After his first battle, Billy realizes glory is not a holy grail to be sought or bought-glory is made when soldiers are brutally slain, unable to strike the heroic pose. Yet Billy still finds reason to continue the war effort at each junction, risking losses beyond anything he has known in his short life. From the fragrant stalls of a livery stable to the bloodstained battlefields of the Civil War, "The Other Side of Silence" vividly portrays the life of a soldier who becomes disillusioned with war and the quest for glory.

"Leavitt has crafted an irresistible portrait of midlife ennui and the magic of breaking free." —People "With or Without You is a moving novel about twists of fate, the shifting terrain of love, and

coming into your own. With tenderness and incisive insight, Leavitt spotlights a woman's unexpected journey towards her art." —Madeline Miller, author of *Circe* A Best Book of the Month: Bustle \* PopSugar New York Times bestselling author Caroline Leavitt writes novels that expertly explore the struggles and conflicts that people face in their search for happiness. For the characters in *With or Without You*, it seems at first that such happiness can come only at someone else's expense. Stella is a nurse who has long suppressed her own needs and desires to nurture the dreams of her partner, Simon, the bass player for a rock band that has started to lose its edge. But when Stella gets unexpectedly ill and falls into a coma just as Simon is preparing to fly with his band to Los Angeles for a gig that could revive his career, Simon must learn the meaning of sacrifice, while Stella's best friend, Libby, a doctor who treats Stella, must also make a difficult choice as the coma wears on. When Stella at last awakes from her two-month sleep, she emerges into a striking new reality where Simon and Libby have formed an intense bond, and where she discovers that she has acquired a startling artistic talent of her own: the ability to draw portraits of people in which she captures their innermost feelings and desires. Stella's whole identity, but also her role in her relationships, has been scrambled, and she has the chance to form a new life, one she hadn't even realized she wanted. A story of love, loyalty, loss, and resilience, *With or Without You* is a page-turner that asks the question, What do we owe the other people in our lives, and when does the cost become too great?

**Lake Silence** Hachette UK

This Edgar® Award-nominated novel in Philip Kerr's New York Times bestselling Bernie Gunther series reveals the cynical, hard-boiled detective's harrowing history as an unwilling SS officer in World War 2. During his eleven years working homicide in Berlin's Kripo, Bernie Gunther learned a thing or two about evil. Then he set himself up as a private detective—until 1940 when Heydrich dragooned him into the SS's field gray uniform and the bloodbath that was the Eastern Front. Spanning twenty-five tumultuous years, Field Gray strides across the killing fields of Europe, landing Bernie in a divided Germany at the height of the Cold War—revealing a treacherous world where the ends justify the means and no one can be trusted...

*Voices from the Partition of India* Puffin

"Portis House emerged from the fog as we approached, showing itself slowly as a long, low shadow...." In 1919, Kitty Weekes, pretty, resourceful, and on the run, falsifies her background to obtain a nursing position at Portis House, a remote hospital for soldiers left shell-shocked by the horrors of the Great War. Hiding the shame of their mental instability in what was once a magnificent private estate, the patients suffer from nervous attacks and tormenting dreams. But something more is going on at Portis House—its plaster is crumbling, its plumbing makes eerie noises, and strange breaths of cold waft through the empty rooms. It's known that the former occupants left abruptly, but where did they go? And why do the patients all seem to share the same nightmare, one so horrific that they dare not speak of it? Kitty finds a dangerous ally in Jack Yates, an inmate who may be a war hero, a madman... or maybe both. But even as Kitty and Jack create a secret, intimate alliance to uncover the truth, disturbing revelations suggest the presence of powerful spectral forces. And when a medical catastrophe leaves them even more isolated, they must battle the menace on their own, caught in the heart of a mystery that could destroy them both.

When his cover is blown, former Berlin bull and unwilling SS officer Bernie Gunther must re-enter a cat-and-mouse game that continues to shadow his life a decade after Germany's defeat in World War 2... *The French Riviera, 1956*: Bernie's old and dangerous adversary Erich Mielke, deputy head of the East German Stasi, has turned up in Nice—and he's not on holiday. Mielke is calling in a debt and wants Bernie to travel to London to poison a female agent they've both had dealings with. But Bernie isn't keen on assassinating anyone. In an attempt to dodge his Stasi handler—former Kripo comrade Friedrich Korsch—Bernie bolts for the German border. Traveling by night and hiding by

day, he has plenty of time to recall the last case he and Korsch worked together... *Obersalzberg, Germany, 1939*: A low-level bureaucrat has been found dead at Hitler's mountaintop retreat in Bavaria. Bernie and Korsch have one week to find the killer before the leader of the Third Reich arrives to celebrate his fiftieth birthday. Bernie knows it would mean disaster if Hitler discovers a shocking murder has been committed on the terrace of his own home. But Obersalzberg is also home to an elite Nazi community, meaning an even bigger disaster for Bernie if his investigation takes aim at one of the party's higher-ups... *1939 and 1956*: two different eras about to converge in an explosion Bernie Gunther will never forget.

**The Shot** Houghton Mifflin Harcourt

This collection of writings from India, Bangladesh and Pakistan looks at the Partition of the subcontinent in 1947 and explores the still largely unaddressed aspects of the human histories of this time. The volume offers perspectives, first person accounts, essays, personal histories and interviews with the women who lived through Partition and those who have inherited its legacies. Taking a broad sweep, the writings here not only span three countries, thereby providing a unique and comparative perspective, but also cover a range of subject areas, from oral history to more traditional history, from visual history to sports. Also included is a selection of documents, which provide valuable archival material on the Partition. "

Examines the use of sign language by the deaf and discusses the education and social conditions of deaf people in the United States

*The Other Side of Silence* Counterpoint

We are accustomed to thinking of torture as the purposeful infliction of cruelty by public officials, and we assume that lawyers and clinicians are best placed to speak about its causes and effects. However, it has not always been so. The category of torture is a very specific way of thinking about violence, and our current understandings of the term are rooted in recent twentieth-century history. In *This Side of Silence*, social anthropologist Tobias Kelly argues that the tensions between post-Cold War armed conflict, human rights activism, medical notions of suffering, and concerns over immigration have produced a distinctively new way of thinking about torture, which is saturated with notions of law and trauma. *This Side of Silence* asks what forms of suffering and cruelty can be acknowledged when looking at the world through the narrow legal category of torture. The book focuses on the recent history of Britain but draws wider comparative conclusions, tracing attempts to recognize survivors and perpetrators across the fields of asylum, criminal law, international human rights, and military justice. In this thorough and eloquent ethnography, Kelly avoids treating the legal prohibition of torture as the inevitable product of progress and yet does not seek to dismiss the real differences it has made in concrete political struggles. Based on extensive archival research and ethnographic fieldwork, the book argues that the problem of recognition rests not in the inability of the survivor to communicate but in our inability to listen and take responsibility for the injustice before us.

We tend to understand grief as a predictable five-stage process of denial, anger, bargaining, depression, and acceptance. But in *The Other Side of Sadness*, George Bonanno shows that our conventional model discounts our capacity for resilience. In ... *Prussian Blue* Duke University Press

London, 1925. Glamorous medium Gloria Sutter made her fortune helping the bereaved contact loved ones killed during the Great War. Now she's been murdered at one of her own séances, after leaving a message requesting the help of her former friend and sole rival, Ellie Winter. Ellie doesn't contact the dead—at least, not anymore. She specializes in miraculously finding lost items. Still, she can't refuse the final request of the only other true psychic she has known. Now Ellie must delve into Gloria's secrets and plunge back into the world of hucksters, lowlifes, and fakes. Worse, she cannot shake the attentions of handsome James Hawley, a damaged war veteran who has dedicated himself to debunking psychics. As Ellie and James uncover the sinister mysteries of Gloria's life and death, Ellie is tormented by nightmarish visions that herald the grisly murders of those in Gloria's circle. And as Ellie's uneasy partnership with James turns dangerously intimate, an insidious evil force begins to undermine

their quest for clues, a force determined to bury the truth, and whoever seeks to expose it...

Small towns have a way of burying things, and small-town people

have a way of keeping things that way. With reminiscence and narration, a local sheriff must comb through his own humid world to unravel the truth behind the death of a local boy. But it's not as easy as it seems, because no one is talking. The Other Side of the Bay is a remarkable portrait of the unique people in the Panhandle of Florida. The story weaves itself into the tall longleaf forests, and along the crests of the uneasy bay, telling a tale of the human spirit. This is a novel of how things aren't always as black and white as they ought to be, and how right and wrong

aren't always easy to tell apart. It's an evocative tale that delivers its reader to the apricot sun rises and sepulchral storm clouds of their own bittersweet memories. The Other Side of the Bay is a remarkable portrait of unique people living in the Panhandle of Florida. Each page leads deeper into the mysterious longleaf forests, and along the crests of the bay uneasy bay. Things aren't always as black and white as they ought to be, and right and wrong aren't always so easy to tell apart.
