Lights! Camera! Moose! MOOSE? Yes, Moose! When a movie director tries to capture the life of a moose on film, he's in for a big surprise. It turns out the moose has a dream bigger than just being a moose--he wants to be an astronaut and go to the moon. His forest friends step in to help him, and action ensues. Lots of action. Like a lacrosse-playing grandma, a gigantic slingshot into space, and a flying, superhero chipmunk. In this hilarious romp, Richard T. Morris and bestselling illustrator Tom Lichtenheld remind us to dream big and, when we do, to aim for the moon.

*The Duckling Gets a Cookie!?* Capstone

High design, brilliant graphics, essential learning skills—these features distinguish the TouchThinkLearn titles, presenting knowledge in a new dimension. Xavier Deneux applies the same unique vision that informed TouchThink-Learn: ABC to this year's most innovative counting book. Die-cut numerals and shapes stimulate understanding of essential concepts, inviting youngest readers to engage in a meaningful and tangible hands-on experience of numbers by tracing figures and shapes to coordinate concepts and images.

*Temple Cat* Scholastic Inc.

The Pigeon really needs a bath! Except, the Pigeon's not so sure about that. Besides, he took a bath last month! Maybe. It's going to take some serious convincing to try and get the Pigeon to take the plunge.
