When do governments merit our allegiance, and when should they be denied it? Ian Shapiro explores this most enduring of political dilemmas in this innovative and engaging book. Building on his highly popular Yale courses, Professor Shapiro evaluates the main contending accounts of the sources of political legitimacy. Starting with theorists of the Enlightenment, he examines the arguments put forward by utilitarians, Marxists, and theorists of the social contract. Next he turns to the anti-Enlightenment tradition that stretches from Edmund Burke to contemporary post-modernists. In the last part of the book Shapiro examines partisans and critics of democracy from Plato's time until our own. He concludes with an assessment of democracy's strengths and limitations as the font of political legitimacy. The book offers a lucid and accessible introduction to urgent ongoing conversations about the sources of political allegiance.

Velvet is about to breathe her last and doesn't even know it when Patrick O'Leary lays her on the bed in a very strange house. When she does awake from a fever-induced coma, she finds herself in a cabin with Dr. Hoyt Baxter, who's hateful, mean and spiteful and doesn't care if she lives or dies, so long as she's out of his house and his life as soon as possible. Which is exactly what Velvet wants, but she has to have the strength to walk out the door before she can actually do it. Hoyt had stopped practicing medicine a year before, vowing he'd never be a doctor again, but when it

came right down to the wire, he did bring Velvet Jane Dulan back to life, a choice he would live to regret for many weeks. She interfered with his self-imposed hermitship. She shook the rut he'd

been living in all the way to the roots. He just wanted her to be gone, but every plan he made to

get rid of her backfired, and he found himself stuck with the unwanted woman. Until finally he realized that he did want her to stay. However, it was too late. Or was it?
